SLA fosters excellence & ethics in a unique 4K-8 public charter school environment. At a very young age, children love to help others and make a difference. Our youngest students at SLA benefit from learning and serving others while bringing the virtues to life in wonderful ways. **Tiny learners are a BIG part of our small school!** Join us on Wednesday Morning, February 11th for a special 5-K Day to learn more. General NEW PARENT INFORMATION SESSIONS are being held weekly in February on Friday mornings from 9:00-10:00.

Where students learn to be bright and choose to make a difference.
